Plantation Drive **Organized by- NSS unit**

On 14 and 15th July 2020, the NSS unit of Government P.G. College Bazzpur celebrated the Plantation Month by planting trees on the college premises. Due to the ongoing COVID-19 pandemic, only the faculty members of the college were allowed to participate in the program.

The program was aimed at increasing the green cover of the college premises and spreading awareness about the importance of tree plantation. Around 50 to 60 Ashok plants were planted next to the multipurpose hall of the college. The program was organized by the NSS unit in collaboration with the college authorities.

The faculty members were provided with necessary tools such as shovels, watering cans, and fertilizers to plant the saplings. They were guided by the experts on the correct techniques of planting the trees and taking care of them. The plantation drive was carried out with full enthusiasm, and the faculty members actively participated in the program. Overall, the Plantation Month celebration by the NSS unit of Government P.G. College Bazzpur was a great success.

The plantation of Ashok plants has contributed to the green cover of the college premises and will also help in purifying the air.
