Clean Heritage Site Campaign Organized by- NCC unit

On the occasion of the Clean Heritage Site campaign, the NCC Unit of Government P.G. College participated in cleaning the administrative building of the sugar factory located in Bazpur on 27-10-2021. The campaign was organized with the aim of preserving the cultural and historical significance of the site and to promote cleanliness in the area. The event began with a brief introduction by Dr. Nagendra Dewedi about the importance of preserving heritage sites and maintaining cleanliness in the surrounding areas. The cadets started the cleaning process by sweeping the entire administrative building premises and removing any garbage or debris from the area. They then proceeded to wash the walls and floors using cleaning agents and water. The volunteers helped in segregating the waste into different categories for proper disposal.
