Awareness program on social issues Organized by- NCC unit

On 31st August 2019, the NCC unit of Government P.G. College Bazpur organized an awareness rally in Rani Nangal village to raise awareness about various social issues. The aim of the rally was to educate the villagers about the importance of social issues and to encourage them to take action. As the rally moved forward, the cadets interacted with the local people and educated them about the importance of various social issues such as gender equality, education, cleanliness, and environmental protection. They distributed pamphlets and brochures with information on how to take action on these issues. The villagers gained a better understanding of the importance of social issues and were motivated to take action. The rally helped to create a sense of community among the participants and the villagers and fostered a spirit of collaboration towards creating a better society.
