“Parichaya:2020”

Second Orientation Programme for New Students (Online)

28 November 2020 (Saturday)

Organized by

Internal Quality Assurance cell (IQAC)

THE CONTEXT

Secondary schools and higher education institutions function in quite different ways, both structurally and procedurally. It might be challenging for new students to comprehend the functions and tasks of the various committees, cells, departments, and college faculties. Knowing the difficulties of new college students experience, IQAC suggested an orientation workshop for students. First orientation programme was organized on 8 August 2019. The second orientation programme was organized online due to COVID Pandemic.

The purpose of this programme is to provide incoming students with a better grasp of the academic and organisational framework of the college. This effort strives to bridge the gap between the school system and the college environment by informing students about the numerous facilities, fellowships, courses, and activities that colleges have to offer.

OBJECTIVES OF THE PROGRAMME:

A well-informed student is one who is proactive and engaged. Therefore new students must be exposed to the college's procedures and surroundings at the start of the academic year. As a result, Rajkiya Mahavidyalaya Bazpur offers an orientation session for students each year. The Student Orientation Programme is organised around three key objectives.

- Introducing students to their college life.
- Incorporating students in the college environment.
- Giving the opportunity to the faculties to get connected to the new students.

THE PROGRAMME:

Due to the restriction on gatherings amid COVID pandemic the programme was organized online on google meet. IQAC in concert with the appropriate departments and committees, IQAC developed the organisation and content of the orientation training. The format of orientation remained largely unaltered since the first programme. It was a one-day programme with three sessions. During the sessions, speakers were allotted 10 to 15 minutes apiece. All presenters were advised to keep their remarks brief and their language simple.

First Session: Inauguration and Introduction of College Faculty

At the beginning of the programme, The Principal embraced new students and educated them about the college's brief history, accomplishments, values, vision, and plans for the future. Following speakers addressed the audience in this session.

- Dr. Kamla Chanyal (Principal): Inaugural Speech
- Dr. Atul Upreti (Coordinator IQAC): Brief Introduction to college faculty.

Second Session: Introduction to Important Committees and their functioning:

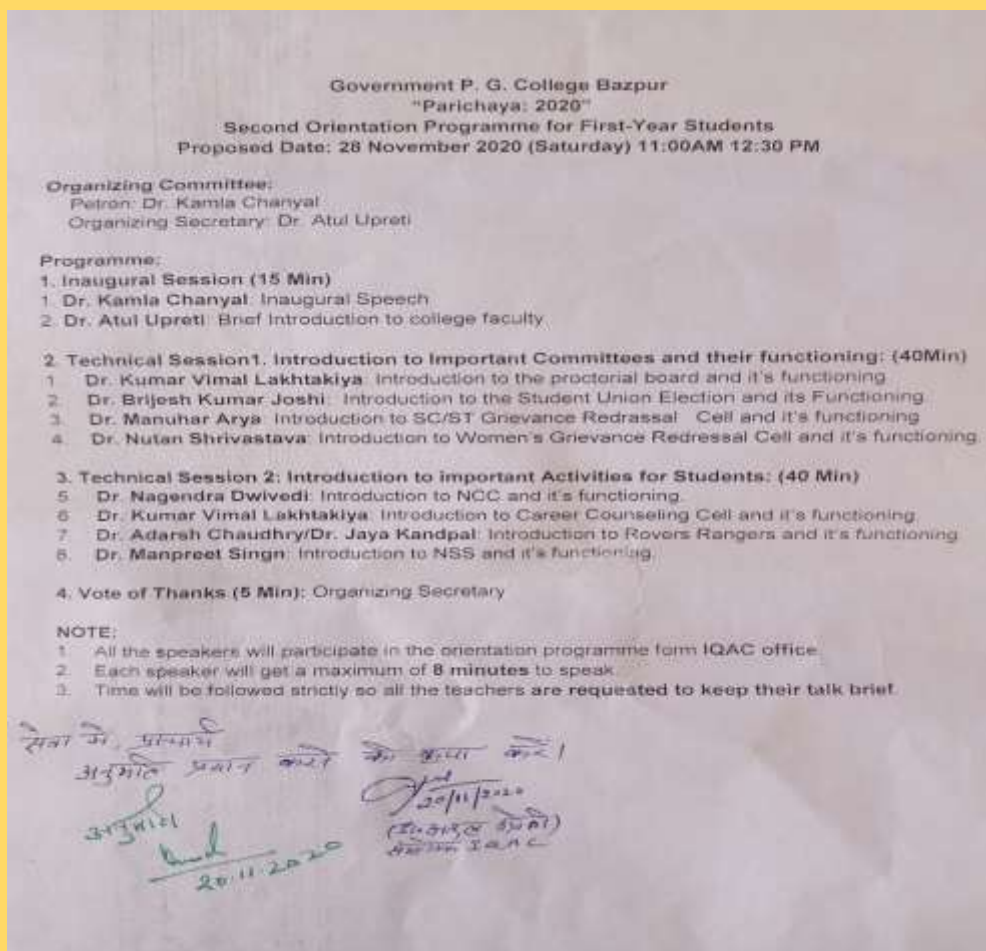

Another important aspect of orientation is to educate students about the functionalities of the organisation works by offering information about key committees and cells. During this session, the following speakers addressed the audience

- Dr. Kumar Vimal Lakhtakiya: Introduction to the proctorial board and its functioning.
- Dr. Brijesh Kumar Joshi: Introduction to the Student Union Election and its Functioning.
- Dr. Manuhar Arya: Introduction to SC/ST Student Cell and its functioning
- Dr. Nutan Shrivastava: Introduction to Women's Grievance Redressal Cell and its functioning.

Third Session: Introduction to important Activities for Students:

Participation in extracurricular and extracurricular activities is an important aspect of college life. The third session covers the same subject. This inspires students and assists them in discovering their interests in any of the college's extracurricular and extension activities. During the third session, students were told about extracurricular activities, sporting events, and cultural events organised at the college by the chairs of relevant committees. In this session, the following speakers addressed the audience:

- Dr. Nagendra Dwivedi: Introduction to NCC and it's functioning.
- Dr. Kumar Vimal Lakhtakiya: Introduction to Career Counselling Cell and it's functioning.
- Dr. Adarsh Chaudhry Introduction to Rovers Rangers and it's functioning.
- Dr. Manpreet Singn: Introduction to NSS and it's Functioning.
