1. CBCS pattern should be applied to the under graduate programme also.
2. The curriculum must be developed according to learning by doing method not just theoretical class. So that student can develop the intuition of discovery and research.
3. The pattern and the curriculum must be developed such that it can relate the student to earn their livelihood.

common university pg entrance should be

In paper of International Relations, recent advances and development should be incorporated. Along with this, Indian wisdom on IR , peace studies and conflict Management should also be given proper place in syllabus.

In Indian Govt and politics, dynamism of Indian polity, present scenario of state politics and party politics should also be incorporated.

More behavioural aspects should be related to theory part in general.
