Blood Donation Camp at Pandey Hospital Bazpur

On 22-11-2020, the NCC cadets of Government P.G. College Bazpur organized a blood donation camp at Pandey Hospital Bazpur. The aim of the camp was to encourage voluntary blood donation among the community and to contribute towards saving lives. The cadets worked tirelessly to organize the camp, starting from arranging the logistics to promoting the event through various channels. The camp was set up at the hospital premises, and the cadets ensured that all the necessary arrangements were in place, including the medical staff and equipment required for the blood donation process. The camp was a huge success, and many people from the community came forward to donate blood. Two of the NCC cadets, Gurav Gola and Jayprakash, also donated blood, setting an excellent example for the others to follow. Their selfless act of donating blood demonstrates their commitment towards serving the community and saving lives. The NCC cadets also interacted with the donors and educated them about the importance of blood donation and the impact it can have on someone's life. They also distributed refreshments to the donors to help them recover after the donation.
