On the occasion of Earth Day, the NCC cadets of Government P.G. College Bazpur conducted an awareness program on 22-4-2022. The program aimed to spread awareness about environmental issues and the importance of preserving the Earth's resources. The NCC cadets organized various activities and events to educate people on the significance of Earth Day and how each individual can contribute to protecting the environment. The NCC cadets carried banners and placards with messages about the importance of preserving the environment. They also distributed leaflets and pamphlets to people, highlighting the need for sustainable practices and ways to reduce pollution. They planted saplings of various trees and explained the benefits of having a green cover in the environment. The awareness program was a success, with a large number of people participating in the activities.
