Session: 2019-20

Name of the Department: Department of Physics

Name of the Event 1: Symposium on “Role of science in removing the superstition”

Date of the Event: 23/11/2019

The department of Physics held a symposium to foster a scientific mindset and temperament among the pupils. Students get an understanding of societal superstition through their scientific knowledge. Participants in the competition came from every class. Students discuss the superstitions that exist in society, how science can help to eliminate them, and how it can provide a reasonable explanation for any event that contains superstitions. Dr. Sooraj pal Singh Yadav (Assistant Professor of Mathematics), and Dr. Jaya Kandpal (Assistant Professor of Zoology) judged the competition. These students did a great job of communicating their ideas.
