Name of the Department: Department of Physics

Name of the Event: Guest Lecture on Research methods “**Analytical Instruments**”

Date of the Event: 27/05/2022

Today, on May 27, 2022, a guest lecture was organized in the Department of Physics, titled Research methods on “**Analytical Instruments**”. Dr. N S Bisht, Assistant Professor, Department of Physics, SS Jeena Campus, Almora, was the speaker of the said program. He encouraged quality research to the postgraduate and research students of the college. Informing the students about fellowships at the national and international level in the field of research by the Government of India, he said that there are immense possibilities of employment in this field. He told that if research gives some benefit to the society, then that research is successful. He told the information related to his research through video. For research, students should be multidimensional because for research what is new today is old tomorrow. Keeping this in mind, students should go into the field of research. He explained in detail the various methods of research in his lectures.

In the said program, Dr. Adarsh Kumar Chaudhary, In-charge of Physics Department, faculty of Physics Mr. Yogesh Pandey, Mr. Sanjay Singh Bisht and many other students were present.
