Cleanliness Drive Organized by-NCC drive

On 27-11-2019, the NCC cadets of Government P.G. College Bazpur organized a cleanliness drive in Krishna Public School and St. Maria School. The cadets not only cleaned the school premises but also conducted classes to educate the students about the importance of cleanliness and hygiene. The cadets collected the litter and garbage that had accumulated on the premises and disposed of it properly. They then swept the floors and removed all the dirt and debris, leaving the school premises clean and tidy. After the cleaning was complete, the cadets conducted classes for the students. They educated the students on the importance of cleanliness and hygiene and how to maintain cleanliness in their surroundings. They also spoke about the harmful effects of littering and how it can negatively impact the environment.
