Awareness Program on Social Issues

On 3rd December 2018, the NCC cadets of Government P.G. College Bazpur organized an awareness program on social issues in Rani Nangal Village. The program aimed to educate the villagers on various social issues and create awareness about their rights and responsibilities. The program began with a short introduction by the NCC cadets, who spoke about the purpose of the program and the topics that would be covered. The cadets then discussed various social issues such as child labor, domestic violence, gender inequality, and drug abuse. They explained the impact of these issues on society and the measures that can be taken to address them. After the awareness program was over, the cadets interacted with the villagers and answered their questions.
