Cleanliness Drive Organized By NCC Unit

On 5th Dec 2017, the NCC Unit of Government P.G. College Bazpur organized a cleanliness drive on the canal area in Bazpur. The main objective of this drive was to create awareness among the people about the importance of cleanliness and to make the area pollution-free. The cadets collected the waste materials such as plastics, papers, wrappers, and other debris from the canal area. The collected waste was segregated into biodegradable and non-biodegradable waste and disposed of accordingly. The participants also cleaned the area and planted saplings along the canal to promote environmental conservation. The drive was successful in creating awareness among the people about the importance of cleanliness and its impact on the environment.
