Cleanliness drive at Krishna Public School

On 6-12-2018, the NCC cadets of Government P. G. College Bazpur conducted a cleanliness drive at Krishna Public School. The cadets aimed to promote hygiene and cleanliness in the school, which would ultimately help in creating a healthy and conducive learning environment for the students.

The cadets arrived at the school early in the morning and started the cleanliness drive. They cleaned the classrooms, the corridors, the playground, and the washrooms. They removed the garbage and the debris and disposed of them properly. They also wiped down the surfaces and mopped the floors to make them clean and hygienic.

During the cleanliness drive, the cadets also assisted the teachers in taking classes. They helped in setting up the classrooms and provided support to the teachers during the class hours. They also interacted with the students and motivated them to maintain cleanliness in the school premises.

The NCC cadets demonstrated a high level of commitment and dedication to their community service. Their efforts towards promoting cleanliness and hygiene in the school are highly commendable. They not only cleaned the school premises but also provided support and assistance to the teachers in taking classes.

Overall, the cleanliness drive organized by the NCC cadets was a huge success. Their efforts have helped in creating a more hygienic and healthy learning environment for the students. The program serves as a great example of how young people can contribute to the society and help in creating a better and healthier world.
