cleanliness drive at Higher Secondary school, Barhani

On 7-12-2017, the NCC cadets of Government P. G. College Bazpur organized a cleanliness drive at Pooja Adarsh Higher Secondary School, Barhani. The cadets clean the school premises and conduct a plantation drive. The cadets arrived early in the morning and divided themselves into groups to cover different areas of the school. They swept the classrooms, corridors, and playground and collected the garbage, which was later disposed of properly. They also scrubbed the walls and floors of the school to ensure that they were clean and hygienic. After the cleanliness drive, the cadets and the school staff conducted a plantation drive. They planted a variety of trees, including neem, mango, and guava, in the school premises. The plantation drive was aimed at promoting environmental awareness and encouraging the students to be more responsible towards nature. Overall, the cleanliness drive and the plantation drive organized by the NCC cadets were highly successful. They demonstrated their commitment to community service and their dedication to making a positive difference in the environment. The program was a great example of how young people can contribute to the society and create a better future for themselves and their communities.
