## Cleanliness Drive in Bazzpur City

On 8-12-2017, the NCC cadets of Government P. G. College conducted a cleanliness drive in Bazzpur city. The cadets cleaned the canal area and the road area, as part of their efforts to keep the city clean and hygienic.

They started with the canal area and removed the garbage and debris from the water and the surrounding areas. They also removed the weeds and other unwanted growth from the canal to ensure proper flow of water.

After cleaning the canal area, the cadets moved on to the road area. They swept the roads and sidewalks, and collected the garbage and litter, which was disposed of properly. They also removed the posters and other materials stuck on the walls and poles.

During the cleanliness drive, the NCC cadets interacted with the local residents and urged them to be more responsible towards keeping the city clean.

Overall, the cleanliness drive organized by the NCC cadets was highly successful in making a positive impact on the cleanliness and hygiene of Bazzpur city. The efforts of the cadets towards cleaning the canal area and the road area are highly commendable, and their commitment to community service is truly inspiring. The program serves as a great example of how young people can contribute to the society and create a better environment for themselves and others.
