Cleanliness Drive

The NCC cadets of Government P.G. College Bazzpur recently organized a cleanliness drive in Bazzpur city on 8-12-2018. The drive was aimed at promoting the importance of keeping our surroundings clean and to create awareness about the harmful effects of littering on the environment.

The cadets started the drive by cleaning the roads in and around the city. They collected all the garbage, including plastic bottles, wrappers, and other waste materials, and disposed of them in a proper manner. The cadets also went to different areas of the city and interacted with the people to create awareness about the importance of cleanliness and hygiene.

During their interaction with the people, the cadets highlighted the harmful effects of littering on the environment and urged them to keep their surroundings clean. They also distributed pamphlets and flyers containing information on waste management and the proper way to dispose of garbage.

Overall, the cleanliness drive organized by the NCC cadets of Government P.G. College Bazzpur was a great success, and it helped create awareness about the importance of cleanliness and hygiene among the people of Bazzpur. It is hoped that such initiatives will continue in the future to make our cities cleaner, greener, and healthier places to live in.
