## Cleanliness Drive at The Local Community Health Center

On 9-12-2017, the NCC cadets of Government P. G. College Bazpur organized a cleanliness drive at the local community health center. The cadets also helped the hospital staff in their efforts to maintain the cleanliness and hygiene of the hospital.

The cadets arrived early in the morning and started the cleanliness drive by sweeping the hospital premises and removing the garbage and litter. They also cleaned the corridors and the waiting area of the hospital, ensuring that it was clean and tidy.

The cadets then helped the hospital staff in disinfecting the beds and the medical equipment, and in maintaining the cleanliness of the hospital wards. They also assisted in changing the bed sheets and pillow covers, and in arranging the medicines and other medical supplies in an organized manner.

Overall, the cleanliness drive and the assistance provided by the NCC cadets to the hospital staff were highly successful in promoting the importance of cleanliness and hygiene in the community. The program demonstrated the commitment of the cadets to community service and their willingness to contribute towards creating a healthier and safer environment for everyone. The program also serves as a great example of how young people can work together with the community to create a positive impact on society.
