Session: 2019-20

Name of the Department: Department of Mathematics

Name of the Event 1: Debates Competition on Ramanujan's Theorems

Date of the Event: 23/10/2019

REPORT

The Mathematics Department held a debate competition for undergraduate students, focused on Ramanujan Theorems, with the aim of providing career guidance for University Entrance exams in Mathematics. Mr. Ranjeet Himank introduced “**Ramanujan theorems**”, highlighting their usefulness in problem-solving and Ramanujan's brilliance as a pure mathematician. In contrast, Mr. Hersit Kamboj and others argued that Ramanujan theorems were too difficult for students and not beneficial for pure Mathematics. Dr. Sooraj Pal Singh, the In-Charge of the Mathematics Department, encouraged students to strive towards their goals in life. Finally, the In-Charge Principal, Dr. Kumar Vimal Lakhtakia, expressed gratitude to all the students for participating in the competition.
