Institutional distinctiveness

Organizing wide awareness programmes in the Society

Govt. P. G. College, Bazzpur is situated at the rural area of a small town city named Bazzpur in district of Udham Singh Nagar (Uttarakhand). Most of the population around the college belongs to the tribal (mostly Buxa tribe) and minority class (Muslims and Sikhs). In this regard, as mentioned in college's vision and mission document, college saw an opportunity towards the social welfare and community connect by organizing outreach programmes to reciprocate the society. By giving back to the community through **community service, social responsibility, educational initiatives, and collaborative partnerships**, an organization can help strengthen the community and build long-lasting relationships with its stakeholders.

Institutional initiatives:

The role of educational institutions in promoting social welfare and social awareness cannot be overstated. As our world becomes more complex and interconnected, it is important for colleges to engage in activities that benefit society and raise awareness about important issues. Our college has taken up this responsibility with great fervor and has been actively involved in various activities for social welfare and social awareness, such as:

- Women empowerment programmes.
- Anti- drug and Narcotics awareness programmes.
- Organizing cleanliness drives.
- Environmental awareness programmes.
- Health and hygiene related programmes.
- Outreach programmes for wide awareness about science.

One of the most notable activities that our college has been organizing is awareness **for women's rights, gender equity, and abortion of girl child, female**

foeticide, Beti Bachao Beti Padhao, Nutrition of mother and new borne child, and Domestic Violence etc. Our college understands the importance of gender equality and is committed to promoting it through various initiatives. We organize seminars, awareness programmes, rally, and community talks that help raise awareness about the importance of gender equality and the need to eliminate discrimination against women. Through these activities, we seek to empower women and ensure that they have equal access to education, healthcare, and job opportunities. Programmes were conducted in the society for the awareness of **PM Matr Vandan Yojan, Ujjwala Yojna, Janni Suraksha Yojna, Nirbhaya cell, Nanda Gaura Yojna, Rastriya Poshan Mission, Sakhi One Stop Center, etc.** under MSK (mahila Shashaktikaran), NSS, NCC and Rover-Ranger.

Another important issue that our college is actively involved in is addressing **drug abuse and drug addiction**. Drug addiction is a serious problem specially in youths, that affects not only individuals but also families and communities. College recognizes the need to address this issue and has been organizing various activities to raise awareness about the dangers of **drug addiction and the use of tobacco**. We organize talks, poster rallies, essay writings and outreach programmes that provide information about the harmful effects of drugs and how to prevent drug addiction.

Cleanliness is another important issue that our college is committed to promoting. We believe that cleanliness is not just a personal responsibility but a collective one. To this end, we organize activities such as cleanliness drives and awareness campaigns in our locality that help raise awareness about the importance of cleanliness and its impact on public health. Through these activities, we seek to instill in our students and other stakeholders, a sense of responsibility for their environment and the communities they live in. **Every year students of NCC, NSS and Rover-Ranger visits the local areas and organize the cleanliness drives for which our college gets letter of appreciation too.** Inside the campus cleanliness drives were organized regularly by all the students and teachers.

Health issues are also an area of focus for our college. We organize health camps and seminars that provide information about various health issues and promote healthy living. Through these activities (**such as Blood donation camps, covid vaccination during corona times, awareness programme for anemia in girls, sanitation programmes for girl students, distribution of Albendazole etc.**) , we seek to promote good health practices and encourage individuals to take responsibility for their own health, that benefit the wider community.

Water is a precious resource, and our college recognizes the importance of conserving it. We organize awareness campaigns to educate individuals about the importance of water conservation and the impact of water wastage. Through these activities (**like world ocean day, world water day, namami gange, water conservation drive, cleaning the rivers etc.**), we seek to promote responsible water usage and encourage individuals to take steps to conserve this vital resource. Pollution is another major issue that our college is committed to addressing by organizing awareness campaigns like **Polythene removal, Ban of single use plastic** etc. that provide information about the harmful effects of pollution and how to prevent it.

College's commitment to social welfare and social awareness is a defining characteristic that sets us apart from other institutions. Through our various initiatives, we seek to create a more equitable, sustainable, and just society. For these activities college got recognized by society and its stakeholders and gave the appreciation letter for such awareness and activity programmes. We believe that education is not just about academic excellence but also about creating responsible citizens who can make a positive contribution to society. Our college also got appreciation letter from CDO udham singh nagar for doing electoral letracy programme under "**SVEEP**" and "**Mission Khushiyon**". It reflects the positive impact of the college's outreach activities on the local community and the appreciation of the local authorities for the college's efforts. We are proud of our institutional distinctiveness and will continue to work towards creating a better world for all.
