**Session: 2024-25**

**Name of the Department:** Department of Physics

**Name of the Event:** One Day Workshop on “**Radiation Measurement and Protection**”

**Date of the Event:** 13/11/2024

The Department of Physics, Government P.G. College Bazpur, organized a one-day workshop on "Radiation Measurement and Protection" on 13th November 2024. The workshop was designed for faculty members and physics students from all classes, focusing on contemporary topics in radiation science. The keynote speaker, Dr. Subhas Chandra from the Department of Physics, P.N.G. Government P.G. College Ramnagar, delivered an insightful lecture on radon, its impact on human health, and methods for researching this critical topic. He emphasized the importance of publishing research papers on radiation measurement to contribute to scientific advancements. The event also featured Dr. Pramod Joshi from the Department of Zoology, Government P.G. College Ranikhet, as the special guest. His remarks highlighted the interdisciplinary aspects of radiation studies, bridging physics and biology.

The workshop was organized under the patronage of Dr. Manohar Arya, Principal of Government P.G. College Bazpur. The event was convened by Dr. Aadarsh Kumar Chaudhri, with Dr. Yogesh Chandra as the organizing secretary and Dr. Sanjay Singh Bisht as the co-organizing secretary, all from the Department of Physics, Government P.G. College Bazpur. Participants engaged in interactive sessions and discussions, gaining valuable insights into radiation safety measures and research methodologies. The workshop concluded with a vote of thanks, marking it as a successful and impactful academic event.
