STUDENT WORKSHOP

ON

**“UNLOCKING ACADEMIC EXCELLENCE
FOR SCORING IN U.G. AND P.G. CLASSES”**

Organized by

**Department of Zoology,
Government P.G. College, Bazpur**

Date: 23/10/2024

Time: 12:30 P.M. 2:30 P.M.

Prof. K. K. Pande, Principal of the college and Patron

Dr. Atul Upreti, Organizing Secretary

Co-organizing secretary: Dr. Jaya Kandpal

Co-organizing secretary: Dr. Virendra Singh.

The Department of Zoology organized a one-day workshop focused on "Preparation for Exams" for students of the Life Science stream. The workshop aimed to equip students with essential skills and strategies to excel in their academic examinations.

Aim of the Workshop

The primary aim of the workshop was to provide Life Science students with essential skills and strategies to effectively prepare for their academic exams. The program sought to:

1. Enhance confidence among students by equipping them with practical approaches to overcome exam-related stress.
2. Promote time management techniques that enable students to allocate study hours efficiently across different subjects.
3. Teach exam writing skills to help students structure their answers in a way that maximizes their chances of securing better marks.
4. Emphasize the importance of maintaining a balance between personal health and academic responsibilities for optimal performance.

Welcome and Inauguration:

The workshop commenced with a warm welcome address by Dr. Atul Upreti, Organizing Secretary, who expressed his gratitude towards the esteemed guests and resource persons for their valuable presence. Prof. K. K. Pande, Principal of the college and Patron of the workshop, was welcomed as the chief guest by organizing Secretary Dr. Atul Upreti, Co-organizing secretaries, Dr. Jaya Kandpal and Dr. Virendra Singh.

In his opening remarks, Dr. Upreti emphasized the importance of conducting such workshops to help students prepare for exams efficiently, especially in the Life Sciences stream, where the curriculum demands a thorough understanding of theoretical concepts and practical skills.

PRESIDENTIAL ADDRESS BY PROF. K. K. PANDE:

Delivering his presidential address, Prof. K. K. Pande stressed the importance of maintaining confidence during exams and outlined strategies for developing self-belief. He encouraged students to focus on creating a balanced routine, which would allow them to manage both their academic studies and personal health effectively. According to him, a healthy body and a healthy mind are critical for optimal performance in academics. He concluded his speech explain a famous quote **“For every evil under the sun, there is a remedy, or there is none. If there be one, try and find it; if there be none, never mind it.”**

Prof. Pande’s speech inspired the students to cultivate a positive mindset and be mindful of their health, urging them to avoid unnecessary stress and maintain equilibrium during exam preparation.

RESOURCE PERSON SESSIONS:

The workshop featured two insightful sessions by experienced resource persons:

1. **Dr. Adarsh Kumar Chaudhari** Incharge College Examination delivered an important lecture on the Technical Aspects of the Examination Process at Kumaun University. Dr. Chaudhari provided students with valuable insights into how the examination forms should be filled. He also talked about how university's examination procedures are designed, including scheduling, question paper development, evaluation, and grading systems.

2. Dr. Darshan Singh Kamboj Incharge, Department of Chemistry, provided a detailed talk on Time Management. He emphasized how proper planning and dividing study hours effectively can help students maximize their productivity. Dr. Kamboj shared practical tips for creating a daily schedule, prioritizing subjects, and overcoming procrastination. His advice focused on the efficient allocation of time to different topics and how to handle complex subjects systematically.

3. Dr. Deepak Kumar Incharge, Department of Botany, delivered an engaging session on Exam Writing Techniques. He spoke about the importance of structuring answers logically and addressing questions comprehensively to secure better marks. Dr. Kumar discussed how presentation plays a pivotal role in exams and gave useful tips on writing concise and well-organized answers. His session provided students with an understanding of what examiners expect and how to deliver responses that stand out.

Attendance:

More than 60 students of life science stream attended the workshop.

Vote of Thanks:

The workshop concluded with a vote of thanks by Dr. Atul Upreti, who expressed his sincere appreciation to Prof. K. K. Pande, Dr. Darshan Singh Kamboj, and Dr. Deepak Kumar for their enlightening contributions. He also thanked the faculty members, co-organizing secretaries, and students for their active participation in making the event successful. Dr. Upreti reiterated that the workshop would prove beneficial in enhancing students' exam preparation techniques, ensuring they are better equipped to excel in their upcoming assessments.

Conclusion:

The workshop proved to be a valuable experience for all participants. The interactive sessions helped students gain a deeper understanding of effective time management, maintaining balance between health and studies, and writing exams with a strategic approach to achieve higher marks. The workshop was a great success, and students left feeling more confident and prepared for their future exams.
