Session 2023-24

DEPARTMENT OF CHEMISTRY

Name of Event: Special lecture on "Anti-Cancer drug"

DATE – 09-03-2024

Departmental council of chemistry organized a special lecture on "Anti Cancer drug". This lecture delivered by "Dr Reeta Sachan". She began the lecture by emphasizing the global burden of cancer and the pressing need for innovative therapeutic approaches. Highlighting the limitations of traditional chemotherapy, She elaborated on the importance of targeted therapies that minimize side effects while maximizing efficacy. The lecture was highly informative and inspiring, providing valuable knowledge about the advances in oncology and fostering a deeper understanding of the complexities involved in combating cancer. It underscored the role of scientific innovation in improving patient outcomes and reiterated the need for collective efforts in the fight against this life-threatening disease. The B.Sc. and M.Sc. students expressed their appreciation for the opportunity to learn directly from an expert in the field. They found the lecture highly informative, thought-provoking, and inspiring, especially for those considering careers in research or medicine. The event was done under the supervision of Dr. Pradeep Durgapal ,Dr Lalit Kumar and Sh Kuldeep Singh.
