Session 2024-25

Name of Department- Department of Botany

Event- Seminar on "Role of Plants in Life: From Oxygen Provider to Ecosystem Builder"

Date: 29/11/2024

One day seminar was organized in the Department of Botany GPGC Bazpur on the topic "Role of Plants in Life: From Oxygen Provider to Ecosystem Builder", in which Dr. Saraswati Bisht, Head of the Department of Botany at Indira Priyadarshini Postgraduate College of Commerce, Haldwani was present as the keynote speaker. She discussed in detail about the usefulness of plants in improving air quality. Dr. Darshan Kamboj, Head of the Chemistry Department, GPGC, Bazpur made the students aware of the future air quality and its adverse effects on health. Dr. Atul Upreti, Head of the Department of Zoology, discussed the process of plants absorbing carbon dioxide and releasing oxygen into the atmosphere and the benefits from them. The seminar was presided over by the principal-in-Charge Dr. Anil Saini. The program was successfully conducted by Dr. Neelam Manola. Dr. Deepak Kumar, In charge of the Botany Department, concluded the program by thanking all the speakers and audience.
