Event- Essay writing competition (Topic- Impact of global warming on climate change)

Date: 28/5/2025

An essay writing competition on the topic "Impact of Global Warming on Climate Change" was successfully conducted on 28/5/2024. The competition aimed to raise awareness among students about the growing threats of global warming and its direct link to climate change.

The event received an overwhelming response, with enthusiastic participation from students. Through their essays, participants explored various dimensions of global warming — its causes, consequences, and the urgent need for global cooperation and sustainable practices.

Essays were judged on the basis of originality, content relevance, coherence, and language proficiency. The competition not only helped students enhance their writing skills but also deepened their understanding of a critical global issue. The competition was both informative and inspiring, encouraging students to be more environmentally conscious and proactive in promoting sustainability.

Winners of the competition:

1st Place: Avneet Kaur

2nd Place: Kratika

3rd Place: Renu
