Session 2024-25

Name of Department- Department of Botany

Event- World Environment Day 2024

Date:- (05/06/2024)

To celebrate World Environment Day 2024, Department of Botany hosted a poster and speech competition aimed at raising awareness about environmental issues and encouraging active participation in environment conservation. The celebration started with lightening of lamp by our principal in charge Dr. Reeta Sachan, Dr. Anil Kumar Saini and other prestigious members of the College. The event attracted a wide number of participants from different departments, all eager to showcase their creativity, knowledge and potential on topics related to the environment. The poster and speech competition not only provided the platform for creative expression but also encouraged individuals to think critically about the pressing issue of various kinds of pollutions, depletion of forests, water scarcity, global warming and other environmental challenges. As part of the World Environment Day celebrations, the event helped inspire a renewed sense of responsibility toward safeguarding our planet for future generation.
