Session 2024-25

**Name of Department- Department of Botany**

**Event- Extempore "GREEN VERSES GREED"**

**Date: 08/04/2025**

An extempore competition on the thought-provoking theme "Green Versus Greed" was held on 08/04/2025 at Department of Botany. The event aimed to foster awareness and encourage critical thinking among students on pressing environmental issues and the impact of human greed on our planet. The competition witnessed enthusiastic participation from students. Each participant was given limited preparation time and spoke passionately, expressing diverse perspectives on the conflict between environmental sustainability ("green") and the growing exploitation of natural resources driven by greed.

Judges evaluated participants based on content, delivery, clarity of thought, and time management. The audience was deeply engaged, and the event sparked meaningful dialogue among students and teachers alike. The competition concluded with a motivational message from Principal Prof. Kamal Kumar Pandey emphasizing the importance of choosing sustainability over short-term profit and instilling environmental responsibility in the younger generation.

The event successfully reinforced the message that safeguarding nature is not just a duty, but a necessity. It served as a powerful reminder that in the battle between green and greed, the future of our planet depends on the choices we make today.

The winners were:

1st Place: Harshita Dogra

2nd Place: Nisba

3rd Place: Yogita Mishra
