Session: 2025-26

REPORT: INDIA CELEBRATES 2nd NATIONAL SPACE DAY

Date: 23 August 2025

Theme: Aryabhatta to Gaganyaan: Ancient Wisdom to Infinite Possibilities

Organized by: Department of Physics, Govt. P. G. College Bazpur (U.S. Nagar)

Convenor: Dr. Aadarsh Kumar Chaudhri

Organizing Secretary: Dr. Yogesh Chandra

The Department of Physics, Govt. P. G. College Bazpur (U. S. Nagar), successfully organized the celebration of 2nd National Space Day on 23rd August 2025, commemorating India's historic achievements in space science and technology. The theme of the event, "Aryabhatta to Gaganyaan: Ancient Wisdom to Infinite Possibilities," emphasized India's journey from its ancient astronomical heritage to modern space exploration. The program began with a warm welcome to all attendees. Dr. Aadarsh Kumar Chaudhri, Convenor of the event, delivered an engaging talk on India's rich legacy in space, tracing the evolution from Aryabhatta's astronomical contributions to the successful launch of the Gaganyaan mission. He highlighted how ancient knowledge laid the foundation for modern scientific advancements. Dr. Yogesh Chandra, Organizing Secretary, discussed in detail the major milestones achieved by ISRO, with special focus on the success of Chandrayaan-3, which made India the first country to successfully land on the lunar south pole. His presentation included visuals, data, and future missions that inspired both students and faculty. A total of 34 participants, including students from various faculties and teaching staff, attended the program.
