International Women's Day Awareness Program Organized by -Women Harassment Redressal Cell

The Women Harassment Redressal Cell of Government P.G. College Bazpur organized an awareness program on International Women's Day, which took place on March 8, 2022. The program aimed to raise awareness among college staff and students regarding gender-based harassment issues and promote a safe and inclusive environment within the college premises.

Objectives: Educate college staff and students about gender-based harassment and its impact. Raise awareness about the role and functioning of the Women Harassment Redressal Cell. Provide information on the grievance redressal mechanisms available to address harassment incidents. Promote a culture of respect, gender equality, and zero tolerance towards harassment.

Dr. Nootan Shrivastav addresses the audience and share insights on gender-based harassment, its prevention, and the importance of creating a safe and inclusive environment. Their talks aimed to educate and empower the attendees.

The International Women's Day Awareness Program organized by the Women Harassment Redressal Cell at Government P.G. College Bazpur successfully achieved its objectives of raising awareness about gender-based harassment and promoting a safe environment within the college. Through expert speakers, interactive workshops, and case discussions, participants gained valuable knowledge and tools to recognize and address harassment incidents. The distribution of resource materials will continue to serve as a reference for the college community. By fostering an atmosphere of respect, gender equality, and zero tolerance towards harassment, the program contributed to a safer and more inclusive college environment.
